WORDS TO LEARN

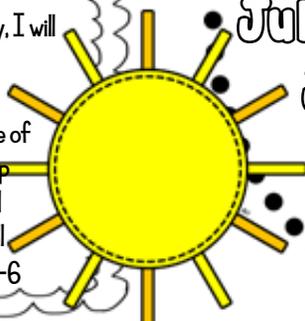

The Lord is my shepherd, I lack nothing.
He makes me lie down in green pastures, he leads me beside quiet waters,

he refreshes my soul. He guides me along the right path for his name's sake.

Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me.

You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup

Overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever. Psalm 23:1-6

Happy Birthday to

Unbelievably, this is the last newsletter of the year! There are only a few days of kindergarten left. The year has gone by so quickly & looking back it is incredible how much each child has grown and changed. Thank you again for entrusting your precious child to me, and for all YOU have done for us this year.

Every year we construct a 'little kindergarten family', & every year we have to say 'goodbye' - I will so miss the students as they go off to Grade 1, but look forward to the hugs, waves, and smiles when I see them in the hallways next year. I pray that each of you has a wonderful summer with your child, before they head off every day next fall.

TO ALL OUR KINDERGARTEN DADS. WE THINK YOU ARE GREAT!

Please send a JACKET with your child every day. We often have late afternoon rain storms this time of year!

Throughout the year, we have been learning a variety of 'snap words'. Within the new curriculum kindergarten students are expected to identify the words, as well as be able to write them independently (you're welcome to practice them at home). These are the words that we will be reviewing until the end of June:

the	am	on	is	can	love	see	go
in	like	no	to	look	green	mom	dad

Our last library sessions for the year are June 11/12th. Please return all library books promptly - our librarian Mrs. Wielinga will appreciate it.

We've also wrapped up our home reading book-bag program but will continue doing lots of literacy activities in the classroom. It's thrilling to see the progress students have made on their journey of becoming readers & writers! Please

continue to encourage a love for reading by spending time enjoying books & reading together this summer.

We'll be doing some great exploring + learning on our field trip to the Royal Alberta Museum - KD Thursday, June 19th + KC Friday, June 20th

The rest of the school will be participating in "Lunch on the Land" in honor of National Indigenous People's Day that day. Unfortunately, we won't be back from the field trip to be able to eat with the other grades/family members. We'll try to have our own lunch outside when we return from the field trip (weather permitting)

Our last days of Kindergarten for the year are:

Monday, June 23rd KC + Tuesday, June 24th KD.

These days are pajama dress up days, so the students can come dressed in their pajamas, slippers, etc.

**All student personal items will be sent home, so please be sure to send their file folder and backpack.*

June Kindergarten Report Card - Your child's final report card will be available online (the same as the rest of the school). You will access your child's report through your PARENT PORTAL ACCOUNT, & it will be available on Wednesday, June 25th @ 3:45 p.m. Please contact the school office if you have questions on how to access it.

The students will find out their Grade 1 teacher and classmates on the first day of school next fall. Supply lists & 1st day of school information will be sent home in your child's file folder on the last Kindergarten Day.

Thank you for a wonderful year!
